

POSITION: Teacher

PLACE: Sharjah, United Arab Emirates

DATES NEEDED: July 07- June 08

Called to use your teaching abilities in an unforgettable environment? Called to work with different learning styles? Like to be around people from literally all over the world? Have a heart for Muslims? Like to see a country developing right before your eyes? Read on, this job just might be for you!

Two 3rd grade and two 4th grade MKs – girl and a boy in each – are in desperate need of a teacher! Due to the lack of experience of the moms and some learning difficulties of the students, a more qualified teacher is necessary

- The four kids are good friends, and all enjoy school. School is a pleasure.
- The moms are more than willing to help teach or assist, whatever you require.
- We have one room, two if necessary, for the classroom.
- We are open to various curriculums, working with you to fit your teaching style.

United Arab Emirates (UAE)

- A country where the east and west meet
- Comfortable place to live with many Western amenities
- Western dress is totally acceptable.
- Yet a Muslim country. Mosque-filled neighborhoods, men and women dressed in Arab clothing and the sound of the call to prayer five times a day serve as reminders.
- Picture this: a turban-clad driver in a convertible, a veiled woman driver with only her eyes showing, camels along the roadside, manicured medians year-round filled with green grass and colorful flowers, desert, skyscrapers and VERY modern architecture, some very rich people and some very poor ones, air-conditioned malls with adventure parks inside (one with even a ski resort)
- Summers with temperatures over 120 degrees with mild winters that require a sweater and very little rainfall
- Weekend activities of beach picnics, wadi camping, sand dune skiing or dune bashing
- Numerous museums, parks, zoos, factories and learning centers as well as a home school group that plans regular field trips to these places
- Little League, tournaments with world class athletes, world famous singers in concert, Chili's, Starbuck's, Fuddruckers, Hard Rock Café, Planet Hollywood, Johnny Rockets and many more western food places as well as international cuisine in nice restaurants and 'hole-in-the-wall' cafes
- A population of 80% ex-pats. Choose a country and you should be able to meet someone from there.
- Official languages of English and Arabic

Come live the experience with us – and teach our kids in the process! WE NEED YOU!
